Damand for LPG cylinders

*513. SHRI VIJAY KUMAR RUPANI: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

the details of total demands received from each State during the current year till now for the supply of LPG cylinders under the Public Distribution System alongwith the quantum of allotment made to each State every month;

the demand received from Gujarat and allotment made to it;

whether the said demands have been totally fulfilled; and

if not, the reasons therefor?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MURLI DEORA): (a) to (d) There is no system for supply of LPG cylinders under the Public Distribution System in the country. Sale of domestic LPG in the country is regulated under the provisions of the Liquefied Petroleum Gas (Regulation of Supply and Distribution) Order, 2000 (Control Order) and LPG supply to the distributors are being made by the Public Sector Oil Marketing Companies (OMCs) through indigenous production and imports in accordance with the genuine demand of customers registered with the LPG distributors. OMCs have reported that they have supplied 9394 and 537 TMTs (Thousand Metric Tonnes) of domestic LPG in the country and in Gujarat respectively during the period April 2007-February 2008. The State-wise and month-wise details for the period April 2007-February 2008 are at the Statement. *(See* below).

OMCs had reported backlog in LPG supplies in certain States in the country, including the State of Gujarat, due to a combination of factors, *viz.,* reduction in supply of bulk LPG compared to the target by Reliance Industries Limited (RIL) and Essar Oil Limited in January-February 2008, delay in movement of bulk LPG by rail from Jamnagar to the Northern Region, increased demand in the States due to severe cold which resulted in panic booking by the customers, strikes by contract labour, agitational activities, delays in berthing of vessels at Haldia Port due to reduced draft, bandhs, etc.

Government had advised OMCs to liquidate the backlog in the country by operating the bottling plants oh holidays and during extended hours. Increased bottling is also done during the working days for early clearance of backlog.

At present, OMCs have not reported any backlog in supply of LPG in the country, including Gujarat. OMCs are monitoring the situation on a day-to-day basis and corrective action is being taken wherever required.
